

EMIRS - Bug #3

Software does not start up consistently

11/15/2017 10:53 AM - Igor Lazbin

Status:	Closed	Start date:	11/15/2017
Priority:	Normal	Due date:	01/08/2018

Target version:		Spent time:	0.00 hour
Description			
When running software following loading into GRMON, software does not start the tasks properly some of the time. This behavior is "seemingly" random, as repeated attempts to load and run the software eventually succeed.
